

LAGUNA BEACH UNIFIED SCHOOL DISTRICT

EMPLOYEE SECURITY

BP 4158/4258/4358

Personnel

The Governing Board desires to provide a safe and orderly work environment for all employees. As part of the district's comprehensive safety plan, the Superintendent or designee shall develop strategies for protecting employees from potentially dangerous persons and situations and for providing necessary assistance and support when emergency situations occur.

Any employee against whom violence or any threat of violence has been directed in the workplace shall notify the Superintendent or designee immediately. As appropriate, the Superintendent or designee shall initiate legal and security measures to protect the employee and others in the workplace.

The Superintendent or designee may pursue legal action on behalf of an employee against a student or their parent/guardian to recover damages to the employee or their property caused by the student's willful misconduct that occurred on district property, at a school or district activity, or in retaliation for lawful acts of the employee in the performance of their duties.

The Superintendent or designee shall ensure that employees receive training in crisis prevention and intervention techniques in order to protect themselves and students. Staff development may include training in classroom management, effective communication techniques, procedures for responding to an active shooter situation, and crisis resolution.

The Superintendent or designee also shall inform teachers, in accordance with law, of crimes and offenses committed by students who may pose a danger in the classroom.

The Superintendent or designee may make available at appropriate locations, including, but not limited to, district and school offices, gyms, and classrooms, communication devices that would enable two-way communication with law enforcement and others when emergencies occur.

Use of Pepper Spray

Employees shall not carry or possess pepper spray on school property or at school activities, except when authorized by the Superintendent or designee for self-defense purposes. When allowed, an employee may only possess pepper spray in accordance with administrative regulations and Penal Code 22810. Any employee who is negligent or careless in the possession or handling of pepper spray shall be subject to appropriate disciplinary measures.

Reporting of Injurious Objects

The Board requires employees to take immediate action upon being made aware that any person is in possession of a weapon or unauthorized injurious object on school grounds or at a school-related or school-sponsored activity. The employee shall use their own judgment as to the potential danger involved and shall do one of the following:

1. Confiscate the object and deliver it to the principal immediately
2. Immediately notify the principal, who shall take appropriate action
3. Immediately call 911 and the principal

When informing the principal about the possession or seizure of a weapon or dangerous device, the employee shall report the name(s) of persons involved, witnesses, location, and the circumstances of any seizure.
