

Laguna Beach Unified School District

EXPULSION AFFIDAVIT

Dear Parent/Guardian:

One of our Board of Trustee's high priorities is to ensure that our schools maintain a safe and orderly learning environment. As a result, our staff is providing you with the information below and requesting that parents of new students to our district complete this form and return it to the school's guidance office.

Education Code Section 489151.1 (b) requires parents or guardians of students, or the student if over 18 years of age, to inform the school district upon enrollment if the enrolling student was expelled from his/her previous school district. This information must be divulged even if the student was expelled and said expulsion was suspended and the student was allowed to return to school.

If a student was expelled for any offenses set forth in Education Code Sections 48900 or 48915, the District will hold a hearing to determine if the student may be enrolled. If a student or his/her parents have not divulged information regarding an expulsion which is later discovered, the student may be immediately un-enrolled and the District will hold a hearing to determine if the student will be allowed to maintain his/her enrollment.

I certify that _____, who is enrolling in grade _____
